### VENT-FREE LOGS

## Blaze n' Glow Series

Agency Approvals - ANSI Z223.1 / NFPA 54

### 18" Blaze n' Glow Series Gas Log System

The Blaze n' Glow Series offers beauty, convenience and radiant heat capabilities in a vent-free configuration. Pair the 18" burner with an 18" log set, or pair the 24" burner with any of the larger log sets (24", 30" or 36"). All models include loose embers and an array of decorative and convenient accessories. All variable (VN & VP) and electronic (EN & EP) burner systems include a remote control with built-in variable thermostat mode and adjustable flame control.

### 18" & 24" Sheridan Gas Vent-Free Gas Log Set

The Sheridan gas logs feature a high efficient stainless steel burner and are made with top quality ceramic fiber. These models offer a 9-piece log set fully unitized for easier installation and operation. Other features include: a ceramic ramp ember bed design, lava cylinder and a stainless flex connector with shut-off valve. Available in 18" and 24" models with a millivolt (remote ready) control system that comes standard with a remote control.
