------------------	------------------	------------------

*CUSTOM SERIES*

**WRT4550**

Agency Approvals - UL 127

**50" paneled wood-burning fireplaces**

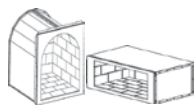

WRT4550 models feature Red or White refractory panels. This fireplace features a 30" tall opening with refractory extending to the front edge. Standard Barometric dampers are factory installed on both sides, allowing for two AK 4 fresh air kits recommended for maximum performance. These insulated fireplaces come complete with hidden ash cleanout and heavy steel grate with rugged cast andiron.

Uses Standard (12DM) and Hi-Temp (12HT) Wood Burning Chimney. For Canada Use 12HT Chimney
